WEBER

PIANO-FORTES

NILSSON. I shall take every opportunity to recommend and
praise your instruments.

For the last six years your Piano have been my
choice for the Concert-room and my own home.

Your Uprights are extraordinary instruments and
deserve their great success.

I have used the Pianos of every celebrated maker,
but give yours the preference over all.

Your Piano astonishes me. I have never yet seen
any Piano which equal yours.

Melanie Perpetua called your Piano the Sweetest in
the United States. I fully endorse that
opinion. They have no rival anywhere.

Prices Reasonable. Terms Easy.
